www.kzoovette.org

Dear Parents,

Congratulations on your student's accomplishments this year. You can be very proud of them. The Kalamazoo Corvette Club has been working with area schools for many years by providing our corvettes for special events such as home comings and parades. As a member of the National Council of Corvette Clubs, we have been asked by our insurance carrier, to provide your school with a waiver to be signed by the parents or guardian and students prior to riding in the vehicles. We as owners and drivers also sign these waivers. The school chair-person of your event will be asked to circulate the waivers to all who will be participating. We will provide the school with the waivers needed. The chair-person will need to have everyone wishing to ride in a car, sign the waivers and return them to the Kalamazoo Corvette Club, before the event date. This will save time on the evening of the event. We hope to have the opportunity to serve area schools for many more years to come. Feel free to contact me with any questions you may have. Thank you in advance for your cooperation.

Respectfully submitted

Mike Beery
